duneapps.com/posts/mileage-log-template.html

Fill it in the same day. Write the purpose in words. Do not round the miles.

Vehicle: _____ Year: _____ Odometer at year start: _____ Odometer at year end: _____

[illegible]

Page total, business miles: _____ Parking and tolls: _____

IRS 2026: 72.5¢ a business mile to 30 June, 76¢ from 1 July. HMRC 2026/27: 55p for the first 10,000 business miles, then 25p. Checked against IRS.gov and GOV.UK on 21 September 2026.

Every trip needs four things: the date, where you went, why, and the miles. Keep odometer readings for 1 January and 31 December so the yearly total can be shown.
